## FOR THE BEST EXPERIENCE

To help us efficiently accommodate you and your party, please plan to be at your appointment 10 minutes early to achieve your desired look in the allotted time.

We recommend any trial services be scheduled at least 3 weeks prior to final appointment date.

If you have a hair length or texture that may require more time, please note this when making your appointment.

## UP-STYLES

Please do not wash your hair the day of your styling. Completely dry, second-day hair holds a style best. Wear a shirt/top that unbuttons or zips so that nothing has to go over your head.

## MAKEUP

Please come with a clean face, hydrated with your normal moisturiser.
